The Honorable Fred C. Ikle, Director
United States Arms Control and
Disarmament Agency
Department of State
Washington, D. C. 20451

Dear Fred:

Thank you for your memorandum of 2 November concerning the President's Quarterly Report (PQR) and your suggestion that it contain references to submarine-launched cruise missiles (SLCM's).

It is indeed true that SLCM's--even though not strategic weapons in the usual sense--have a relationship to SALT deliberations and we will broaden the PQR to take this into account.

Sincerely,

/s/ Bill

W. E. Colby
